

Aspen Publishing Introduces Aspen Aloud

BURLINGTON, Mass., August 8, 2023 – Aspen Publishing, the leading provider of legal education content and digital learning solutions, today announced the release of its newest product line, Aspen Aloud.

Aspen Aloud is a series of narrated audio summaries for legal studies in 1L and 2L subject areas, including civil procedure, constitutional law, contracts, corporations and other business entities, criminal law, criminal procedure, evidence, property, and torts.

“Aspen Publishing is proud of this newest product release,” says Joe Terry, Vice President and Publisher. “Our focus is on delivering high quality learning materials for students and we feel this is one more great example of that.”

Consisting of easy-to-follow, non-casebook-specific chapters broken up into audio files of approximately 10 to 30 minutes each, Aspen Aloud covers the main topics of a subject area to help students understand the concepts they learn in class throughout the semester and to study for exams on the go.

“The Aspen Aloud product is one more step in helping students reach their full potential,” says Terry. “Our products are engineered to meet students where they are and get them to where they want to go and this product falls right in line with that goal.”
